Dear Sir Knights,

WHO WILL LEAD?

WHO WILL FOLLOW?

Who should lead in families, at work, at various committees within our parishes, or even among friends. Someone has to get up front, otherwise we don't go anywhere together.

Our Assembly will be electing a new slate of officers. If you want the Assembly to steer in a certain direction, the elections can determine that direction. Are you the leader we've been waiting for? Nominate and vote in our Assembly election..

Fraternally,

William Boes
Faithful Captain

Memorial Day is a United States federal holiday observed on the last Monday of May (on May 25 in 2009). Formerly known as Decoration Day, it commemorates U.S. men and women who died while in military service to their country. First enacted to honor Union soldiers of the American Civil War (it is celebrated near the day of reunification after the civil war), it was expanded after World War I to include American casualties of any war or military action.

Why call it "The Banner"?

This is the newsletter of our Assembly. As our Faithful Navigator once stated, our Assembly should provide a model for Patriotism for all to see. What better way than to name our newsletter after one of the most famous symbols of Patriotism ever, the Star Spangled Banner of our National Anthem.
