Navigator's Log

Sir Knights,

A reminder we are holding our meeting on July 17, 2008. The reason for that is because the fourth of July fell on the first week of the month. K of C Council 7613 took our usual Thursday for their meeting. At this meeting I would like to discuss several ideas for some things this Assembly could work on this year. At the same time I would like to hear of any suggestions or input anyone may have. One idea I have in mind is to do some things for our retired priests. We have retired priests who were active at one time. It would be great if we could return to them something nice by giving them a barbecue, or cooking a meal for them. Or we could drive them to places they need to go, or just keep company with them for a while. I believe that there are three retirement places for all retired priests. These retired priests were active priests once and they did a lot for us and we could and should return the favor.

Another idea or suggestion was brought from Iraq . Sir Knight Gonzalo Acosta is serving in Iraq and he asked if we could come up with school supplies for the children. He said that the children got very excited with the few school supplies they gave out to them. I discussed this with Grand Knight Don Williams and he thought that just may be we could bring it up to the parish.

Sir Knight Brian Nelson and I have discussed about hosting a fourth degree exemplification. I have discussed it with Rev. Kevin Ryan about hosting the exemplification and he told that he is all for it. What we need to do is to pick several dates and see if they are open so we can hold it.

Another idea is to approach the archdiocese to see if we could re-introduce patriotism in our catholic schools by educating students in proper procedures in showing respect to our flag and the national anthem. If the schools need flags, we could present them with one.

Come to the meeting and give us your input. Maybe you have other ideas, suggestions or possibly you can improve the above ideas. See you at 7:00 P.M. on July 17.

GUIDELINES FOR COLOR CORPS FOURTH DEGREE KNIGHTS OF COLUMBUS

PROCESSION

The Color Corps precedes the liturgical procession to form an honor guard in the center aisle.

1. It is recommended that an instrumental prelude accompany the entrance of the Knights.
2. The liturgical procession then passes through the honor guard.

The Color Corps closes ranks behind the liturgical procession and proceeds to their reserved pews at the rear of the Church.

COMMUNION

The Knights do not function as a Color Corps during the celebration of the Eucharist, but join the assembly in that “full, conscious, and active participation demanded by the very nature of the liturgy.” (Constitution on the Sacred Liturgy, #14.)

1. The Color Corps will be the last to receive Communion at the front and center of the liturgical assembly.
2. So that the Knights might have the option of receiving Communion in the hand and from the cup as well, if they wish, it is recommended that they approach Communion without gloves and chapeau. (“Holy Communion has a more complete form as a sign when it is received under both kinds.” General Instruction on the Roman Missal, #240.)

RECESSION

Following the response to the dismissal of the assembly, “Thanks be to God,” the Color Corps forms an honor guard for the recession.

1. Weather permitting, the Knights proceed directly to the outside of the main entrance where this formation takes place.
2. Weather not permitting, the Knights form an honor guard in the center aisle, closing ranks behind the liturgical procession and following it out of the church.
